

Pet regulation

- 1) The entry of any pet must be authorised by the Direction.
- 2) During the check-in procedures, pet owners must present to the Direction the pet medical book, with track of its vaccinations (a copy is also accepted).
- 3) Dogs must always be kept on a leash and, if necessary, they must wear a muzzle.
- 4) Dog droppings must be removed immediately with a suitable bag.
- 5) Pets are not allowed in shops.
- 6) Pets are not allowed in common toilets in the campsite. **It is absolutely forbidden to wash your pet in the common showers, sinks or washbasins. There is a special area dedicated to grooming, nearby the Dog Park.**
- 7) Pets must not drink directly from fountains, sinks or other water-delivery points. Pet owners must always use personal bowls.
- 8) Pet owners must make sure their pets do not invade other guests' pitch and/or accommodation.
- 9) Extremely loud animals are not allowed in the campsite.
- 10) Pet owners are responsible for any damage to properties and individuals caused by their pets.
- 11) Pets are not allowed nearby the swimming pool, exception made for the Solarium Area. Here, it is nevertheless forbidden to wash pets. Use only the dedicated area.
- 12) **It is forbidden to leave pets alone in the Mobile Homes and/or in the pitch. For those who stay in the pitch, a fence is mandatory (they are available for renting - on request).**
- 13) Pets are allowed on the shuttle bus as long as they do not bother other guests. If so, pet owners must wait for another ride. Pets are not allowed on the private beach, they are only allowed on the free beach (next to Punta della Suina Beach, to the left as well as to the right).
- 14) Anyone who does not follow this regulation will be expelled without previous notification by the Direction.
